

Straight Talk About Chondrosarcoma
A Virtual Dialogue (Via Zoom)
Tuesday, November 17, 2020
7:30pm - 8:30pm EST

The Chondrosarcoma Foundation, Inc. will host our first International Forum for Sarcoma Specialists, Chondrosarcoma Patients and their Families on Chondrosarcoma. An opportunity for CS patients to ask questions and seek answers and give Sarcoma Specialists the opportunity to hear from CS patients.

John Gross, MD.; Faculty Assistant Professor, Bone and Soft Tissue Surgical Pathology at Johns Hopkins University in Baltimore, MD will provide a presentation entitled: **Chondrosarcoma: Challenges in Diagnosis, Grading and the Importance of Proper Classification**

Following John's presentation, we will have a Q&A for CS patients and Sarcoma Specialists and offer a dialogue on Chondrosarcoma using the Zoom platform.
